

Limited Lifetime Warranty

All Adcor Firearms come with a Limited Lifetime Warranty. Adcor firearms are warrantied to the original retail customer against all defects in material and workmanship. All parts and labor (or replacement of the firearm at our sole discretion) are covered by this warranty.

Shipping to and from our repair facility is also covered by this warranty.

Damage attributable to steel-cased ammo, hand loads, ammunition higher than 77 grain, or any other nonstandard, noncommercial and inappropriate (high velocity and high pressure) ammunition voids this warranty.

The warranty does not cover damage to the rifle caused by poor or inadequate maintenance or abuse. Unauthorized modifications, repairs, misuse, and alteration of the rifle are not covered by the warranty.

All implied warranties, including the implied warranties of merchantability and fitness for a particular purpose, are limited to ONE (1) year from the date of purchase. Consequential or incidental damages and/or expenses, or any other expenses, are not covered by this warranty.
